

# EasyGallery.com

Easygallery.com is a platform for artists and art lovers to share and deal with original artwork that is physical or digital.

The easy gallery will allow artists to publish their artworks and set up online art shops or art classes. The people who are interested in their artworks will talk with them directly, no matter whether they want to buy the artwork or just talk with the creator. The easy gallery teams will also hold online events and supervise the treats and the atmosphere of our community.

## Personas

**Artists:** need a platform to sell there are works or teach their art skills or just want to publish their artworks.

**Art collectors:** interested in art and want to buy artworks.

**Art lovers:** interested in art and want to learn the skill of art creation or just simply want to see more art and meet more artists.
